Dear Mr. Mullaney

Kirkham Town Council has asked me to lodge their objection to the above application with you.

- *Kirkham Town Council object to the revised routes proposed in the application due to the impact it will have on the health and wellbeing of residents and the negative impact on the environment.*
- *As this traffic management plan is so different from the original and impacts on more town and rural parishes who were not previously consulted, including Kirkham, KTC request that a new planning application is submitted and all Town and Parishes are consulted.*
- *Kirkham Town Council request that they are consulted on all matters concerned with this application as Kirkham will be greatly impacted.*

Kind Regards

Emma-Jo Duffy
