Dear Sir/Madam

**Application s.247 Town and Country Planning Act 1990 to stop up and divert part of footpath to enable development with planning permission to be carried out
Kirklees Council Footpath Reference: HOL/60/20**

Please find enclosed a completed Application Form, with appropriate plans and Supporting Statement & Statement of Reasons to stop up and divert part of a footpath (all of which is on land which I own) pursuant to Section 247 of the Town and Country Planning Act 1990, as amended. This is to be able to implement planning permissions granted by the Council, which does necessitate the stopping up and diversion of the path.

The Supporting Statement & Statement of Reasons provides all of the backdrop and relevant information.

I have delegated the management of this application to my appointed representative, Mr. Noel Scanlon of NSCL (email: noel.scanlon@nsconsult.co.uk and telephone: _____ with whom you should liaise and pass everything through.

Should you require any further information or assistance, please contact Mr. Scanlon, though please do feel free to contact me in the first instance for verification purposes if required.

Yours faithfully,

Richard Butterfield
