2015/93937 Wolfstones Heights Farm – PROW

William,

Thanks for the consult.

PROW does not resist the granting of consent.

- Please add usual PROW footnote about obstruction/interference to any consent.
- Please add footnote that to implement consent diversion of public footpath Holmfirth 61 would be necessary, by separate application and subject to separate significant fees. Please also include the following (or equivalent wording) “Notwithstanding the submitted drawings, any gate would not be authorised on the prospective new public footpath by grant of planning consent.”
- Please add usual footnote about works to the public highway requiring separate consent of the LHA.
- Please include in footnotes the PROW unit contact details.

Regards,
Giles
