

PNFS 15 Letter From Noel Scanlon 11 February 2019 confirming positive response to meeting with PNFS

From: Noel Scanlon [mailto:noel.scanlon@nsconsult.co.uk] Sent: 11 February 2019 14:07 To: @kirklees.gov.uk> Subject: Footpath 60 130A Notices - Peak & Northern Footpath Society I should probably let you know something privately. I met with XXX who is the Kirklees rep for the PNFS on site regarding the diversion. Very constructive discussion. Useful information and suggestion was imparted by and we will be having a good dialogue moving forward. However, the reason for getting on touch with you specifically, is to let you know that XXX asked how we knew that it was the PNFS that had raised the 130A Notices, etc. In fairness, it was not you, it was actually xxxxx that had said it in email to us. Although likely discoverable eventually by other means anyway, I am sending this to you just in case the PNFS raises this with you/the Council. I don't think it will, but forewarned is forearmed, and all that. This is probably one of those messages that I might delete...you get the idea I am sure...
