Noel

I have forwarded your letter to the Inspector, and he has asked me to thank you for it and advise you that he has noted its contents. The Inquiry will proceed, as planned, and set out in his Pre-Inquiry Note, on 24 August. The Inspector has also asked me to advise you that he will of course allow you adequate time to undertake relevant cross-examination of the Kirklees Council witness. Should this mean that the Inquiry is not completed in the programmed 4 days then it will need to be adjourned and completed at a later date. Given the Inspector's other commitments it is likely that resumption could not take place until early 2022. Your letter and this response will be placed on the Examination website.

**Kind regards**

**Yvonne Parker**
