As Secretary of Holme Valley Civic Society I have been asked by the Committee of the Society to register our objection to the proposed rerouting of the above footpath at Wolfstones Heights Farm.

This footpath has been used for centuries and provides direct access to Wolfstone trig point from Netherthong crossing the Wolfstones Road without having to walk on the side of the road which does not have a footpath. The proposed rerouting adds 300 metres to the distance.

The road is well used by vehicles making it dangerous to walk on for the many dog walkers and families who regularly use the footpath.

The rerouting of this footpath would set a very dangerous precedent.

These views are not personal to me but those of Holme Valley Civic Society.

Stephen Beardsell

Secretary Holme Valley Civic Society
