**Subject:** Proposed diversion of public footpath, Holmfirth 60 (part) at Wolfstone Heights Farm, Wolfstone Road, Upperthong.

**FOA: Secretary of State**

We are writing in to show our support for the proposed footpath diversion at Wolfstone Heights Farm. We walk our dog down this footpath 3 times a week as our daughter has her riding lessons nearby, and we feel the new diversion would be an excellent way to improve the current public footpath.

Myself and my wife have been using this footpath for the past year as our daughter does her riding lessons nearby. We find the proposed diversion a much safer and scenic route compared to the old public footpath. We have started walking that route more frequently due to the new diversion, and are keen to keep doing so.

The landscape of the new diversion is beautiful and we love having the opportunity to take in the views on an evening. We mainly walk after 6pm when it becomes slightly darker and this new route makes it much easier to see cars coming up and down Wolfstones Road.

We strongly support the new public footpath route

Regards,

**Joe & Faye Formisano**
