Ref:  
Footpath diversion Holmfirth 60, Wolfstones Road, Upperthong.

To whom it may concern, I live in Honley with my husband and we regularly enjoy walking our dogs in the local area.

We regularly use the footpath running through Wolfstones and have recently started to use the newly created diversion. The reason we started to use the diversion was because it is a much nicer route, the walk takes in far better views and the bench has been a welcome stop point, especially during long walks over recent months which we have more frequently taken as a result of COVID/Lockdown.

An additional added bonus on this new path is the much safer exit point on to Wolfstones Road

With this in mind, I fully support the diversion and very much hope this goes ahead with no issue.

Thank you
