**Footpath diversion Holmfirth 60**

Dear Secretary of State,

I feel I must put in writing my dismay that there can be objections from individual's to the newly created footpath diversion around Wolfstones Heights and Wolfstones Heights Farm.

My wife and I walk the public footpaths around Holmfirth on a regular basis, during the Bank Holiday weekend we came across the footpath diversion where the original footpath shared the driveway to one of the above properties. The new footpath as been well thought out with a Bench seat to sit awhile and take in the beautiful scenery above Holmfirth, we spoke with the land owner who has even created a pond that is attracting lots of wildlife.

I find it hard to believe that objectors would rather walk up a shared drive for 100m than taking the scenic diversion route for 400m, this does however demonstrate that there are people out there who just object for the shake of objecting....

Yours sincerely

Paul Croft
