Subject: Footpath diversion Holmfirth 60

Dear Sir/Madam,

On a recent walk with my family I noticed the proposed diversions of the footpath 60.

I just wanted to send a quick note to say what a good idea the proposed changes are, I appreciate that you are looking to make an already enjoyable walk more family friendly, safe and relaxing.

We love walking this route on a weekend but sometimes I find it a bit off putting walking along somebodys drive and straight past their house, and although if we've ever bumped into the owners they have always been really nice it does out my off walking this route. Which is a real shame as my children love this route particularly as they can visit the pond and watch the duck and the geese.

It used to concern me that the current footpath joined the road straight onto a blind bend, which is an additional improvement from the proposed changes.

I can't see any reason that the proposed changes would not be passed but I just wanted to show my support and thanks.

Kind regards,

Leonie
