Dear Secretary of State

Having lived in Brockholes for many years albeit I am now residing in Blackley near Elland, and owning businesses in the Honley, Kirkburton, Kirkheaton, Sowood, Slaithwaite, Greetland and Holmfirth area for the past thirty two years it has come to my attention and that of many of my customers, that one of our favourite walking routes, footpath 60 near to Wolfstones, has been improved with the addition of a bench and via a lovely duck pond. To my amazement it seems that a local resident is drumming up support to reinstate the old route down a tarmac drive and near somebodies house! Ridiculous, the new route is far more user friendly, safer and picturesque, please accept this as my support for the new proposal and improvement of the route 60 from Netherthong to Honley.

Yours sincerely
