Subject: Footpath Diversion Holmfirth 60

4

Dear Secretary of State

I am writing in support of the proposed diversion of the above footpath.

We have been using this footpath for many years, whilst out walking around the Holmfirth and Honley area.

We have found that the diverted path is much improved from the previous route up the driveway leading to Wolfstones Height Farm. The diversion provides a bench which is ideally sited to enjoy our lunch, with fabulous views whilst doing so. We normally do a circular route which brings us up towards the farmhouse, and then we turn right towards Honley (as do many of the people we encounter on the route). The new route feels much safer, as it reduces the amount of time we spend of Wolfstones Road. There is an improved exit onto the road, with a safe area to stand as we exit, and this also means we no longer need to encounter vehicles up the narrow driveway which leads to the farm. We have encountered vehicles up this section on several occasions, which is awkward for both us and them. I feel much happier with the new route, as it feels safer for us, and less intrusive for the residents at the farm.

Yours faithfully

Alison Jane

Yours sincerely
Alison
