Subject: Footpath diversion Holmfirth 60, Wolfstones Road ,Upperthong

Date 20 Sept 2020

To whom it may concern

I am writing to you about the proposed diversion to the public pathway at Wolfstones Heights Farm!

I have walked my dog for many years up and down the public footpath that runs down the side of Wolfstones Height Farm, I have always felt that I was being intrusive as I walked past the gate way of the house.

So I was highly delighted when a new footpath was put in place which bypassed the house and respected the home owners privacy!

The new footpath has brilliant views over to Castle Hill and the surrounding country side, and I love the benches on the way that you can sit on and take in the views!

Also I find it easier to see traffic coming up the road at the end of the footpath and feel safer walking up the road to continue my walk to the trip point!

I'm all for the new Footpath and hope it doesn't get closed off!

Yours sincerely

Julie Anderson
