Fao. The State Secretary

Ref: the above proposed footpath diversion.

I am writing to support an official diversion of the above public footpath. As a new resident of Netherthong and a keen walker, local footpath routes and scenery are important and one of the main reasons I decided to move to the area.

The new footpath allows you to take your time to admire the scenery. It is a very well-maintained path to walk along, whilst not feeling rushed to move off the narrow driveway, a vast improvement. Having tried both routes, I feel very uncomfortable walking directly through the driveway of the people in the property there, who have done such a beautiful job of making the new route. The grass path that runs along the roadside allows safer road-side walking, as does the new exit/entrance onto Wolfstones Road.

Yours faithfully

Mr Jamie Megson
